## **CHILDREN MINISTRY STAFF (PART-TIME/FULL-TIME)**

We are a warm and loving church with 200 members seeking to love God more intimately each day. We strive to become a house of passionate worship and prayer, a home for growing disciples and a haven for the community. We are committed to growing the church and nurturing the communities we serve, winning souls through loving people practically.

The Children's Ministry Staff is responsible for leading and shepherding the Children Ministry, providing spiritual guidance, discipleship and care to children within the church. This role focuses on cultivating a Biblically founded and Spirit-led environment where our children can learn and grow in their faith, develop authentic relationships and actively participate in church life.

### **MINISTRY DESCRIPTION**

- To work with a core-team of volunteers
- To work with the pastoral team to develop and build up the Children Ministry (CM) for ages 3-12 that caters to both church family children and community children.
- Connect with volunteers in our 28J Boys' Brigade Company & Homework Supervision Community outreach. (Church outreach extension, eg to all Primary Schools in Jurong)
- To reach out to the community children

### **DESIRED QUALITIES & FIT**

- Theological training & bilingualism preferred (not strictly needed).
- Experience with children or church children ministry would be an advantage.
- Likely Commitment: Sat & Sun half-days, 1 day weekday. (Full-Time negotiable).
- Possible fit: Theological School graduate with this passion (FT), parents with kids who do not seek FT job, retirees with good health & passion for kids.

If you have a passion for the children and a prompting to join the New Life family, please write in to us at [personnel@nlbc.org.sg](mailto:personnel@nlbc.org.sg)
