

Master of Arts in Theology & Integrative Studies MATIS

The Master of Arts in Theology and Integrative Studies (MATIS) is our capstone degree, offering a broad-based and comprehensive education in theological, spiritual, and ministry skills formation that deepens and expands the equipping from the Certificate and Diploma programmes.

If you are lay person leading and nurturing others – whether in church, workplace, or other ministries in your community – the MATIS fills out your toolbox to “love God” and “love your neighbour as yourself.”

Programme Highlights

Additional Core Courses that

equip you to lead and nurture others with breadth and depth in Scripture, Christian tradition, and ministry skills.

Range of electives

in ministry, missions, cultural and marketplace engagement, and ethics, with additional free electives to tailor your learning.

Designed for Christian leaders

whether in marketplace or church – offering flexible, formational training as disciplers in life, ministry, and work.
